For: *METHODS OF TREATING FIBROMYALGIA*Assistant Commissioner for Patents
Washington, D.C. 20231

DECLARATION UNDER 37 C.F.R. 1.131

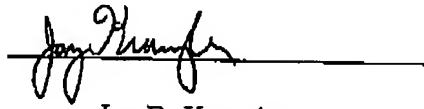

Sir:

We, Jay D. Kranzler and Srinivas G. Rao, hereby declare that:

1. We are the inventors of the above-identified patent application.
2. We conceived of a method to treat fibromyalgia with a composition containing milnacipran as the sole active ingredient at least as early as August 2001, prior to October 2001, as demonstrated by the enclosed copy of the bills from our patent attorney dated August, September and October 2001, and the draft application we provided to the attorney, attached as Exhibits A, B, C and D.
3. We then diligently reduced to practice the claimed method of treatment of fibromyalgia by filing the parent of this application on November 5, 2001.
4. We declare that all statements made herein of our own knowledge and belief are true and that all statements made on information and belief are believed to be true, and further, that the statements are made with the knowledge that willful false statements are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such
